

Year 3 and 4 Spelling – 26th February 2024

This week, Years 3 and 4 are looking at the prefixes **inter** and **anti**; what they mean and which words they can be added to.

Some examples for this week are:

interactive, interfere, international, interject, antibiotic, antidote, antihistamine.

Curriculum words to learn this week:

therefore, though, although, thought, through

Challenge 2:

Join either anti or inter to one of the root words below.

Discuss the meaning of the words to ensure that they are real words.

Please practise your spellings on J2E Spell blast <https://www.j2e.com/j2blast>

anti	twine	hero
inter	histamine	ject
national	galactic	personal
dote	rupt	cept
vene	biotic	

Challenge 3:

Please write sentences with the examples above showing the correct spelling and the correct word usage.

Example

1. I take antihistamine in the spring and summer when I suffer from hay fever.
2. My sister will not let me interfere with any of her things in her bedroom.

Years 3 and 4 will continue to learn and apply this rule all week and will complete a spelling test/dictation on **Friday 1st March**. Thank you for your support!
