

Year 3 and 4 Spelling – 4th March 2024

This week, Years 3 and 4 will be revising the various spellings of the suffix [ʃən] spelt either as: **cian**, **sion**, **ssion**, or **tion**. We will be looking at the rules that govern which spelling is used.

Some examples for this week are:

Optician, collision, fraction, fiction, omission, extension, profession.

Curriculum words to learn this week are:

various, weight, woman, women, accident(ally).

Challenge 2:

Please practise your spellings on J2E Spell blast <https://www.j2e.com/j2blast>

Please ask the children to practise their spellings by writing them in sentences.

Example:

The optician gave me a new prescription for my glasses.

The magician pulled a white rabbit from his top hat.

When I am older, I would like to have a profession such as a doctor or a dentist.

As am an avid reader, I prefer fiction books to non-fiction books.

Challenge 3:

Please log onto spellzone and play one of the three free games.

Years 3 and 4 will continue to learn and apply this rule all week and will complete a spelling test/dictation on **Friday 8th March**. Thank you for your support!
