

Dear Parents and Carers,

Welcome Back!

As there are already lots to celebrate this term, I thought I would share some of the week in a very brief newsletter. I am sure your children told you that, on Monday morning, we were laughing and smiling along with Electric Umbrella. They reminded us of the message they delivered on their first visit to Eastbury Farm which is 'there's no such thing as normal'. We then learned how to say 'hello', share our names using Makaton and learn a new 'smile' song. However, the most important message we took from the morning was to use our smiles.

Our latest value

As I am sure you are aware, Mrs Cachra is leading on the implementation of our school values. The children in this morning's celebration assembly voted for our latest value and chose **honesty**. Honesty now joins respect, kindness, resilience and courage as Eastbury Farm values.

More sporting success

Eastbury Farm children will be taking part in two sporting finals next week. Our football team, who won the local league, will be playing the league winners of other schools in our district final on Thursday. Congratulations to the football team and good luck in the tournament we know you will give your absolute best to the competition. Our football team will also be wearing their brand new kit – we are grateful to Mr Spulber and to Savilles who have sponsored the purchase of two football kits for our children.

We also have a winning tag rugby team who will also be competing in a tag rugby tournament on Wednesday. We wish our tag rugby team all the very best in their tournament. Thank you to Mr Davies for making our attendance at the tournament happen and please enjoy his write up of the event.

All 44 of our Y5 pupils travelled to Greenfields on Wednesday to participate in a tag rugby tournament organised by our sports partnership.

Despite only having played a small amount of tag rugby before, all our teams represented the school brilliantly. They showed great teamwork, sportsmanship and some excellent rugby. Many adults watching commented on how quickly our teams improved throughout the tournament.

Eastbury Farm had four teams participating in three tournaments and managed to win two of them. This included one team winning the 'A' competition, which means that they now qualify to play in a finals tournament against other winning schools from around Watford and Rickmansworth.

Well done to all involved and thank you to Mrs Patel, Mrs Webster, Mr Tooley and Mrs Tooley for managing and supporting the teams.

Mr Davies

Our winning 'A' team who will be representing Eastbury Farm on Wednesday

Earth Day

Don't forget to support us, if your child has packed lunch, by making sure this is plastic free on Monday (and any other day)! Click here for more **Earth Day information**

Attendance reminders

Thank you to all our parents who keep us informed regarding absence. This saves Ms Norgate a huge amount of wasted time in calling to find out where your child is. If your child is not going to be in school for whatever reason you must let us know on the first day of absence either by calling or sending an email. Thank you in advance for your support with this.

Curriculum newsletters

We are having some issues with our new website but once these are rectified an email will be sent out to share the links to this term's curriculum newsletters. What an exciting term of learning we have ahead. As always, if parents know that they have a special skill or knowledge that will help bring our summer term topics to life, please let us know!

At the end of the newsletter is a flyer for a free 12 week family healthy lifestyle course. Please use the QR code for further details.

It has been lovely to see the children back in school. Thank you for supporting us by ensuring they look smart and in correct uniform, this really helps reflect our high expectations.

Welcome back and I am looking forward to what is always a fantastic term.

Best wishes

Miss Ormonde
