

## Year 5.6 Spelling Monday 21<sup>st</sup> October 2024

Please choose one of the challenges below to learn and use throughout the week in Guided Reading and English lessons.

*Statutory words* are lists from the National Curriculum that may feature in SATs tests and are expected to be accurately spelt in creative writing lessons. They are set to be learnt at the end of spelling units.

| Challenge 1              | Challenge 2              | Challenge 3              |
|--------------------------|--------------------------|--------------------------|
| Year 3.4 Statutory Words | Year 3.4 Statutory Words | Year 5.6 Statutory Words |
| accident                 | accident                 | accommodate              |
| accidentally             | accidentally             | accompany                |
| actual                   | actual                   | according                |
| actually                 | actually                 | achieve                  |
| address                  | address                  | aggressive               |
| answer                   | answer                   | amateur                  |
| appear                   | appear                   | ancient                  |
| arrive                   | arrive                   | apparent                 |
| believe                  | believe                  | appreciate               |
| bicycle                  | bicycle                  | attached                 |
| Focus sounds             |                          |                          |

Children will complete a spelling test on Friday 25<sup>th</sup> October 2024.

Thank you for your continued support ☺
