Headteacher: Miss E Ormonde

December 2024

Dear KS2 Parents & Carers,

Mrs Roberts is offering the children the opportunity to join a STEM Club which will take place on Tuesday's 3.15 - 4.15pm after-school in the STEM room. Children will be completing 9 hands-on challenges to earn their 'SuperStar Award'. The variety of challenges will encourage the children to explore the world around them whilst using their STEM (Science, Technology, Engineering and Maths) skills!

The club will be strictly limited to 15 children and there will be a £1 fee per child, which goes towards resources and a certificate. The club will start on Tuesday 14th January 2025 and run for 9 weeks until Tuesday 18th March 2025.

To register your child's interest please consent through the school gateway by Wednesday 8th January 2025. Places will be offered to children who were on the previously year's waiting list and then on a first come, first served basis and will be confirmed by email by Friday 10th January 2025.

Kind regards

Eastbury Farm School Office
