Our equality objectives are:

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities. We aim to meet this objective with particular reference to issues of equality and diversity
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum
- To move beyond deterministic notions of fixed ability and to model teaching and learning behaviours that avoids labelling
- To further narrow the gap between our most able boys' and girls' attainment
- To tackle and challenge stereotypes and prejudice
- All staff to be excellent role models in their relationships with each other, pupils and visitors
- To tackle prejudice and promote understanding in relation to people with disabilities. To monitor the pupil outcomes of all groups and individual children ensuring there are no trends in underperformance
