December 2025

Dear Parents and Carers,

Girls' Football: Year 5 and 6

During the autumn term, we will be running a girls' football club on Tuesday afternoons. These sessions will be run by Mr Lambkin and Miss Sherr, and are part of our plan to establish a competitive girls' football team to play in the Watford Schools League. This football club will run in addition to those currently run by Mr Tooley.

Practice will take place on **Tuesdays 3.15 – 4.15pm** starting on **13th January 2026** and run for 9 weeks until **17th March 2026**.

Please note that we aim to run all advertised sessions however, the schedule may be subject to change.

There are a limited number of places and children who currently attend club will be given first refusal for places. There is no charge for the sessions however to places must be booked on the clubs section of the School Gateway for current members. If you would like your child's name to be added to the waiting list please contact the school office. Due to the long waiting list for the club it is essential that current members confirm their child's continued interest to take part in practice.

Please ensure that you confirm your child's booking via School Gateway by **Wednesday 7th January 2026**.

Children are required to bring a water bottle and wear suitable clothing (football strips or similar) as well as shin pads and football boots. Sessions will run outside rain or shine so please ensure that your child has extra layers to wear and be prepared for them to get muddy.

If the weather is too severe or the playing field too waterlogged, we will notify parents that the session will not be going ahead. This is a non-fee paying club run for the enjoyment of the children and should not be relied on for childcare.

Yours sincerely

Eastbury Farm School Office
