July 2026

Dear Parents and Carers,

Girls' Football: Year 5 and 6

Girls' Football Practice will take on **Tuesdays 3.15 – 4.15pm**. These sessions will be run by Mr Lambkin and are part of our plan to establish a competitive girls' football team. This football club will run in addition to those currently run by Mr Tooley.

Please note that we aim to run all advertised sessions however, the schedule may be subject to change.

There are a limited number of places and children in year 6 will be given first refusal for places. There is no charge for the sessions however to register your child's interest please record your consent via School Gateway.

Please ensure that you confirm your child's interest in attending practice via School Gateway by **Wednesday 9th September 2026**. Places will be confirmed prior to the first session and will be set for the whole academic year. Children must show commitment, good attitude and regular attendance or risk forfeiting their place. If your child no longer wishes to attend, please email the school office and their place will be offered to the next child on the waiting list.

Children are required to bring a water bottle and wear suitable clothing (football strips or similar) as well as shin pads and football boots. Sessions will run outside rain or shine so please ensure that your child has extra layers to wear and be prepared for them to get muddy.

If the weather is too severe or the playing field too waterlogged, we will notify parents that the session will not be going ahead. This is a non-fee paying club run for the enjoyment of the children and should not be relied on for childcare.

Scheduled running dates*:

Autumn Term – 22nd September – 8th December 2026 (11 weeks)

Spring Term – 12th January – 16th March 2027 (9 weeks)

Summer Term – 20th April – 6th July 2027 (11 weeks)

*may be subject to change

Yours sincerely

Eastbury Farm School Office
