

Year 3.4 Spelling – Monday 17th April 2023

This week, the children are revising the spelling rule where words with the “s” sound are spelt with “sc.”

Examples: science, discipline, scene, scent, ascend, descend

Challenge 2:

https://www.spellzone.com/word_lists/list-13480.htm

Write 5 sentences to describe the meanings of the words from the list on the website or use some of the examples above.

Don't forget you can also practise on J2Blast at <https://www.j2e.com/j2blast>

Challenge 3:

Write an exciting paragraph including the examples above and any others you can find.

Example

The scene was set. An array of alien spacecraft descended from the blackening sky. The World held its breath hoping that they would be friendly and come in peace, unlike all the aliens from science-fiction comics.

**Everyone: Statutory curriculum words to learn this week are:
Century, certain, circle, complete, consider.**

The children will continue to learn and apply this rule and the statutory spelling words this week and will complete a spelling test/dictation on **Friday 21st April 2023.**

Thank you for your continued support
