## [Hungry Little Minds – Simple fun, activities for kids aged 0 – 5](#)

Your child's brain grows the fastest during the first 5 years of life. As a parent, you play a huge role in feeding your child's mind and helping them to communicate. Check out our top tips for simple activities that you can do with your child as part of your daily routine. You may not realise how much your kids are taking in – and making sense of – long before they can talk. Feed ...
