## Safeguarding Pupils Walking To & From School Policy

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does not disallow independent travel. However, as a school we are responsible for the welfare of our pupils and therefore have to consider what we believe is good practice in ensuring the safety of our pupils. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.

### **Pupils in EYFS/KS1**

Our agreed school policy is that no pupil in Foundation Stage or Key Stage One should walk to or from school on his or her own, or be left on their own on the school premises either before or after school. In addition, we will only hand over pupils to named adults or older siblings provided they are 16 years old or above (however, if the professional judgement of the adult at school deems the older sibling not to be suitable, they will not hand the child over).

Pupils will not be handed over to other adults unless the school has been informed by the parent that they have made this arrangement. We also ask that you keep us informed of any changes in arrangements, preferably by letter. If someone turns up to collect your child, and we have not been notified, the adult will have to wait until we have verified his or her identity. If no one turns up to collect a child in these year groups, they will be kept in school and parents contacted. If the child is not collected and we have failed to make contact with the child's carer or other listed contacts on record, we will consult with family services. We will not allow older brothers or sisters in primary school to collect younger siblings.

### **Pupils in KS2 (Years 3, 4, 5 and 6)**

While there is no set age when children are ready to walk to school or home on their own, we believe that pupils in year 3, 4 and 5 should still be still brought to and collected from school and this is our school policy. These children also need to be supervised on the playgrounds by parents/carers.

Children in Year 5 may be ready to be dropped at the school gates and walk into school independently during the summer term if they are able to act responsibly on the school playground without parent/carers supervision. We will only grant permission for Year 5 children to walk to or from school alone in exceptional circumstances.

With regards to pupils in Year 6, we believe that you as parents need to decide whether your child is ready for the responsibility of walking to and from school alone. The school will take no responsibility for the choice you make or if your child should come into danger during their journey to or from school. In deciding whether your child is ready to walk to school you should assess any risks associated with the route and your child's confidence. Work with your children to build up their independence while walking to school through route finding, road safety skills and general awareness.

There are many ways you can prepare your child to make an independent journey.

Children who are driven to school do not have the opportunity to develop road awareness and are therefore more vulnerable when they start to walk to school independently. Walking to school is a great opportunity to learn road safety skills. The best way to do this is to walk with your children from a young age, teaching them about crossing the road, learning how to navigate and a host of other skills. This helps

them gain the experience and confidence to deal with traffic on their own, in preparation for walking with friends or alone when they are older.

Teach your child to:

- Pay attention to traffic at all times when crossing the street; never become distracted.
- Always cross at the crossing where there is that option; do not cross in the middle of the road.
- Cross in a place where you can see clearly in all directions. Avoid parked cars or bends in the road.
- Look both ways before crossing; look and listen for traffic coming; cross while continuing to keep an eye on traffic.
- Look out for cyclists.
- Remember that drivers may not see them, even if they can see the driver.
- Remember that it is hard to judge the speed of a car so be cautious.
- Never, ever, follow someone who is either a stranger or someone they know but is not a designated "safe" adult. Speak to your child about what they should do if this should ever happen.

When deciding whether your child is ready for this responsibility you might want to consider the following:

1. Do you trust them to walk straight home?
2. Do you trust them to behave sensibly when with a friend?
3. Are they road safety aware?
4. Would they know what to do if a stranger approaches them?
5. Would they have the confidence to refuse to do what a stranger asked?
6. Would they know the best action to take if a stranger tried to make them do something they did not want to do?
7. Would they know what to do if they needed help?
8. Would they know whom best to approach to get help?

If you are not confident about how your child would react then you should seriously consider whether you should allow them to walk on their own.

If you decide that your child is ready for this responsibility and you wish them to walk home from school or out of school to a designated meeting point, then you must inform the school in writing. Your child will be prevented from walking home unless this permission has been given in writing. Your child will also be responsible for their behaviour whilst on the school premises either before or after school. Should their behaviour not be acceptable you will be asked to accompany them or collect them until they have proved they can be trusted again.

We will not allow children to walk home alone in the dark. Please bear in mind that if they are attending an after school club it may be dark when the club finishes. **IF AT ANY TIME YOU NEED TO CHANGE ARRANGEMENTS YOU HAVE MADE PLEASE ENSURE YOU LET US KNOW IN WRITING IMMEDIATELY.**

Children should arrive on the school site not later than 8.40am, which is when the bell rings ready for an 8.45am registration in class. Children should be collected from school at 3.15pm prompt. Children attending before-school clubs should arrive at 8.00am and children attending after school clubs should be collected at 4.15pm prompt. The school accepts responsibility for the children from 8.45am until 3.15pm (from 8.00am - 4.15pm for children attending clubs). Parents must take responsibility for children until 8.45am and from 3.15pm (until 8.00am and from 4.15pm for children attending clubs).
