

Eastbury Farm Primary School

Sports Premium Detailed Forecast

The Sports Premium is designed to increase the level of skills children have in all areas of sport, to increase their level of fitness and also their enjoyment of sporting activities. Since the Sports Premium funding began, we have provided the children with a range of different sporting opportunities, enhanced the PE curriculum and trained our school staff to deliver high quality sports lessons.

In 2013 the government allocated £450million to improve Physical Education and Sport in primary schools over three years. The vision of the government is that: ***'ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport'.***

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

The continuation of the Sports Premium funding will enable us to sustain the impact of high quality sports provision in the following areas:

- Class teachers develop their subject knowledge in delivering sports lessons through CPD training allowing them to deliver a range of sports lessons across the full curriculum
- Class teachers develop their subject knowledge through a new PE teaching scheme
- Class teachers develop their expertise in games (purchasing new games equipment such as rugby balls, footballs, tennis racquets and netball hoops)
- Children leave school being able to swim the required 25m, following a carefully planned programme of swimming lessons in Year 3.4
- Children in Years 1-6 have the opportunity to participate in a wide range of after school sporting clubs (subsidised and a wider choice available such as tennis, dance, yoga and multi sports)
- Children have the opportunity to try new sports and sporting activities

Sports Premium Forecast Spending Plan 2018-2019

Expected total for academic year = £18,520

Summary Information					
School	Eastbury Farm Primary School				
Academic Year	2018-2019	Total SP budget	£18,520 (£16,000 + £2,520)	Date of most recent SP Review	July 2018
Total Number of pupils	Year 1 – 6: 258			Date for SP review	Mid-term- Feb 2019 Final- July 2019

Year group(s)	Item/Project	Estimated Cost	Objective(s)	Intended impact (or actual impact and evaluation) Mid-year review to be carried out in Feb 2018 Final review and analysis to be carried out in July 2018
